

LONG DISTANCE WALKERS ASSOCIATION

SURREY GROUP

REPORT & RESULTS OF THE PUNCHBOWL MARATHON ROUTES - SUNDAY 1.2.81.

With such excellent weather even the Checkpoint marshalls enjoyed themselves! The cold dry start kept the early mud at bay, & the clear blue sky, that soon emerged, made it seem almost like a summer event. It was therefore not surprising that 281 of the 300 starters finished. 177 on the 30; 89 on the 21 & 15 on others.

The view from Blackdown turned out more spectacular than was envisaged, as the sea of mist in the valleys below made an unusual sight with the protruding hilltops. Later on, on the '30' route, on the 150m stretch, under the 1 mile length of Pylon Wires, that did not have a distinct path, caused those who have not walked 'north of Watford' to scratch their heads.

Geoff Peck, National orienteering champion for many years, who finished over an hour ahead of the Winter Tanners field, this time brought along the current champion - Chris Hirst - for company; and until CP2 had Frank Thomas with him as well. On the 21 miler Brian Alder, Dan Hadfield & Peter Short ran round together as part of their preparation for the upcoming London Marathon on the roads.

Redford Liford, Wendy Hadfield, Mervyn Harvey, Vi & Rosemary Allen, & Erica Blatchford (in that order) welcomed everyone to CPL. The 30 milers were later treated to hot tea & sandwiches by Margaret & Chris Stoer, with Mervyn, Red & Rosemary moving on to help them.

At the Finish Nicholas & Alexander Chosterton looked after your baggage & set up the Hall, then checked in the finishers until relieved by Mervyn. It was 'all hands to the pump' in the kitchen, plus some of the fitter Surrey Group members who, having showered, were roped in as well. Such as David Allen, Barbara Blatchford, Dan Hadfield, David & Pauline Shore (1st Lady in 6.07), John Westcott & Sue Woodhouse (1st Lady on the 21 in 4.14). Next year maybe some of the other walkers could persuade their wives or friends to come along, & allow this year's helpers to walk. JRE

In the meantime there are plenty of other organised events from 20 to 100 miles all over the country. Each LDWA Group also organises it's own social walks & evenings, as well as open events.

LDWA members who would like to receive the quarterly SURREY Newsletter should send 40p to Dave Challenger, 3 Ewell Park Way, Ewell, Epsom, Surrey. This Newsletter is not only a delight to read, but also gives details of the group's full social programme.

Those wishing to join the LDWA & receive the National 70 page quarterly Journal-STRIDER- should send £1-75 to Ernie Bishop, 4, Mayfield Rd, Tunbridge Wells, Kent TN4 8ES.
