

LONG DISTANCE WALKERS ASSOCIATION - SURREY GROUP

BASBAC WALK 25th JUNE 1989

There were 28 who took part in this new event - 25 on the long route and 3 on the short route. Although the numbers were disappointingly low, those who took part all said they enjoyed it and all finished their chosen distance.

The weather was fine and sunny although probably a little too hot for walking and certainly for the runners.

The following is a list of those taking part, the clock time at the start, visiting the checkpoints and at the finish with the elapsed time in the final column.
